

MEDIA RELEASE

i.Power Solutions to offer world-class electrical solutions at QME

i.Power Solutions, a Brisbane-based electrical engineering and manufacturing company, will highlight its electrical expertise on **Stand 2033** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

The company, a subsidiary of Bilfinger Berger Services (Australia), will be exhibiting on the Mining and Energy Services Council of Australia (MESCA) pavilion.

i.Power Solutions offers world-class electrical services, including design, construction and maintenance, in:

- electrical and mechanical engineering
- project management
- design and manufacture of medium and low voltage switchgear, surface and mining underground substations, switchrooms and transportable switchgear
- automation and process control systems including programmable logic controllers (PLC) and supervisory control and data acquisition systems (SCADA).

The company, which has AS3800 accreditation for the overhaul and manufacture of flameproof electrical equipment, also provides on-site electrical contracting services.
