Ostwald Bros to focus on high quality project management at QME

Ostwald Bros, a civil construction company that operates Australia-wide, will have the spotlight on its high-quality project management services on **Stand 2033** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

The family-owned company, which has offices throughout Queensland, specialises in project management and production for the civil construction industry.

It will be exhibiting on the Mining and Energy Services Council of Australia (MESCA) pavilion at QME.

Ostwald Bros offers:

- concrete products
- quarry materials
- construction equipment and services
- earthmoving equipment
- mining and civil contracting
- portable crushing and screening equipment.

The company also owns and operates an extensive transport fleet which undertakes major product haulage as well as supporting its own plant and equipment.

Its clients are in the mining, government, property development and agricultural sectors, and the company is proud of its high level of repeat business.
