Shell lubricants under the spotlight at QME

Shell Australia and national lubricant distributor, Blackwoods, will have an informative exhibition of Shell's wide range of finished lubricants on **Stand 8058** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

The products include

- Shell Tellus hydraulic oils
- Shell Rimula heavy duty engine oils
- Shell Omala gear oils
- Shell Corena compressor oils
- Shell Cassida food grade oils and greases
- Shell Naturelle biodegradable oils and greases
- Shell Spirax axle and transmission oils.

To maximise the potential of effective lubrication, Shell and Blackwoods support these products through:

- help with lubricant selection
- oil equipment monitoring to facilitate predictive maintenance
- advice on lubricant application and plant maintenance

A major global energy organisation, Shell has operated in Australia since 1901 and employs about 3,000 people here.
