MATO to showcase its conveyor developments at QME

MATO Australia Pty Ltd, a major supplier of conveyor belt fastening and maintenance systems, will focus on products for the Australasian mining industry on **Stand 2033** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

Established in 1990, MATO Australia Pty Ltd will be exhibiting on the Mining and Energy Services Council of Australia (MESCA) pavilion at QME.

The Australia-based company's product range includes:

- Belt cleaner systems and accessories for primary, secondary and return belts
- Ultrasonics
- Control units
- Tracking products
- Skirts and guards
- Belt clamps
- Maintenance services.

According to MATO's Queensland Sales Manager, Brian Morante, new product development for Australasia has been at the core of the company's success in recent years and has created marketing opportunities around the world.
