ROST Distributors displays machining range at QME

ROST Distributors will show off a number of the machines it sells on **Stand 6063** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

ROST Distributors is Queensland supplier for a number of CNC machine companies, including:

- **HwaCheon CNC Machines**, offering more than 90 models, including 3-axis and 5-axis machining centres; the company has been in business for more than 75 years, with the largest single user of its products the Hyundai Motor Car Company in Korea with more than 2700 machines
- **Maxmill Machinery**, offering comprehensive vertical machining centres and bridge-type machining centres
- **You Ji Machine**, which manufactures CNC vertical and horizontal turning lathes and machining centres, NC special purpose machines and automatic production line machines
- **Brobo Group**, an Australian manufacturer of metal processing machines; on display at QME will be the S 350D cold saw and the PG 350 grinder
- **CNC Machinery Sales**, a supplier of conventional machining centres
- **Lenox bandsaw blades**, offering American-made long-life bandsaw blades.

ROST will also be promoting KC Tools at QME and discussing the benefits of robotics.
