

MEDIA RELEASE

Heinemann Electric releasing new electrical products at QME

Heinemann Electric Pty Ltd, a manufacturer and supplier of electrical switchboards, switchgear and accessories to the mining industry, will launch new and exciting product ranges on **Stand 9212** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

The company will unveil its new Eclipse range of distribution switchboards and DIN mounting QF series of 6kA MCBs and RCBOs, as well as its Slegers ChemRange of chemicals designed for the workplace.

The latter comprises 12 products, including Corrosion inhibitors, marking paints, universal lubricants, protective based coatings, and speciality products such as *ChemSkinGlove*.

Established in 1959, Heinemann Electric Pty Ltd has been an integral part of the electrical Industry in Australia manufacturing and supplying quality electrical equipment for the electrical industry.

Its products are found in the mining, commercial and industrial sectors and include:

- Main switch boards
- Distribution boards
- Motor Control centres
- Load centres
- Slegers Installation products

Miniature circuit breakers, residual current devices, moulded-case circuit breakers and motor control equipment products are also available.
