Hot Shots Express delivers at QME

Hot Shots Express will showcase its individual delivery service on **Stand 7023** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

Delays in deliveries can significantly affect productivity, so Hot Shots Express offers an Australia-wide 24-hour, seven-day-a-week service.

With only one driver per vehicle to keep track of and satellite tracking offering up-to-the-minute delivery tracking, Hot Shots Express guarantees peace of mind to its customers.

It has a fleet of late-model vans, utes and trucks and specialises in breakdown parts for machinery, but will deliver a single envelope with the same urgency as a 12-tonne load.

The company's range of vehicle includes a new 10-tonne tilt/slide tray, plus it offers storage facilities in its secure warehouse, including easy access and forklift service.
