

MEDIA RELEASE

Linatex to display abrasive process solutions at QME

Linatex will showcase its expertise in industrial wear rubber and processing equipment on **Stand 6322** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24.

The company has been in business for more than 80 years and its rubber compounds are designed to perform in both wet and dry abrasive slurry applications.

Linatex provides abrasive process solutions through a range of equipment and services including process equipment, material handling products, mining hose and a range of fabricated and moulded products.

Its process equipment range includes:

- cyclones
- vibrating screens
- classifiers
- slurry pumps
- valves.

Linatex has manufacturing sites at Townsville and Mt Isa, as well as five other Australian sites, making it well-placed to service the entire Bowen Basin.
