KAB Performance Seating showing off specialised mining seats at QME

KAB Performance Seating will be showing off some of its range of specialised seating for the mining industry on **Stand 9034** during the 2008 Queensland Mining and Engineering (QME) exhibition at the Mackay Showground from July 22-24

KAB Performance Seating is an Australian division of the US-based Commercial Vehicle Group, and is capable of producing 1000 seats a month.

KAB provides seating for everything from open quarrying vehicles to underground close space mining.

As well as seating for the industrial machinery market, KAB also caters for the heavy/light transport market with some of its biggest original equipment manufacturer customers being Kenworth and Western Star.

KAB is also involved in office seating, developed from its range of heavy duty commercial vehicle seating. This is purpose built for extended 24-hour use, making it ideal for control rooms, guard houses and similar situations.

All office seats are ergonomically correct with multiple adjustment features to ensure they fit a wide range of users and applications.

KAB is an international market leader with full global support and parts back-up and all seats are fully rebuildable.
